

City Manager's Friday Newsletter

Applicants Sought for Snohomish Planning Commission

Applicants are being sought to fill an upcoming vacancy on the City of Snohomish Planning Commission.

The applications are due to the City Clerk by 4:00 p.m. on Friday, July 12, 2013, at City Hall, 116 Union Avenue in Snohomish.

The Planning Commission board member term runs for six years. The Commission considers land use, regional and comprehensive plan issues, and makes recommendations to the City Council. The Planning Commission may recommend moratoria and/or interim land use controls and hold public hearings as deemed necessary by the City Council.

Members of the Planning Commission must live within the City's urban growth area boundary. All City board and commission members are volunteers serving without compensation.

The vacancy is created by Planning Commissioner Jane Thorndike's decision not to seek re-appointment. The selected appointee's term will begin immediately upon City Council confirmation of the Mayor's appointment. Commissioner Thorndike has served as a Commission Member since August 2003.

Applications are available at City Hall and may also be downloaded from the City web site: www.ci.snohomish.wa.us.

City of Snohomish Earns WellCity Award

Snohomish is a part of the AWC's Employee Benefit Trust, a health insurance pool that provides coverage to 13,000 City employees across the state. The AWC recently announced this year's recipients of its coveted WellCity Awards and the City of Snohomish is one of 84 cities that earned the designation as a "WellCity." As a result of the outstanding work and commitment of the City's Wellness Committee in meeting the comprehensive requirements necessary to achieve this award, the City will now receive a 2% premium discount on its medical coverage in 2014. A special thanks to the City's Wellness Committee members, Dawn Davis, Brooke Eidem, Genevieve Geddis, Joe Hopper, and Ann Ray in successfully developing programs to promote the health and well-being of our City staff. Way to go!

Aquatic Center Update

The Aquatic Center is now showing its complete form. Walls are up and spanned by trusses. Work continues on the roof with the installation of the metal roof decking over the pool areas, locker rooms, bathrooms, and mechanical rooms. Installation of rooftop heating, ventilation, and air conditioning (HVAC) equipment and the skylights is underway with the HVAC units now set and the skylights glazing to be installed. Interior ductwork has been installed at the ceiling line and will be connected to the rooftop units. Exterior wall glazing (windows) will occur in the near future. The project is still on schedule for an early 2014 opening.

The picture below provides a bird's eye view from the north side roof trusses into the pool areas.

City of Snohomish Public Safety Commission

publicsafetysnohomish@outlook.com
