

AGENDA ITEM 2.

Boards and Commissions with the intent to increase communication. This would include reviewing support staffing levels. She remarked sharing information with other Board members was appropriate, but to avoid engaging in discussion of the items, which could turn into serial meetings.

7. **OTHER BUSINESS/INFORMATION ITEMS:** Ms. Armstrong remarked that timelines of projects were helpful to know, so there would be no surprises in what was being asked. Mr. First inquired about in-person meetings. Ms. Whitson explained staff was reviewing available technology to meet in person while still providing required remote access.

Mr. Podoll inquired on current parks staffing. Mr. Cross shared current staff responsibilities and explained how funding of the positions limited what they could do. Parks staff could help with utilities, but utilities staff could not help with parks. Councilmember Ray reiterated Council would review staffing levels, and asked how many employees were needed. Mr. Cross replied to provide a high level of service, ideally six staff per department. Mr. First questioned seasonal staff positions. Mr. Cross reported recruitment was open but no applications had yet been received.

Ms. Armstrong thanked Mr. Cross for attending providing answers to help round out their understanding of the parks role.

8. **ADJOURN:** Meeting adjourned at 7:46 p.m.
