## Deputy Arthur Wallin

The Snohomish Police Department is pleased to welcome Deputy Arthur Wallin and his new K9 partner Red to the City of Snohomish. Deputy Wallin comes to us from the Snohomish County Sheriff's Office with seven years of patrol experience. Deputy Wallin was selected as a new handler to replace Deputy Mitteer, so he and his

partner, Red, will be training together for the next few months before we will see the pair roaming the streets of Snohomish. Deputy Mitteer has taken a patrol position with the Sheriff's Office and he is now working in their South Precinct serving the citizens of south Snohomish County.

When you see Deputy Wallin and Red patrolling the streets of Snohomish, be sure to wave so they know they are valued members of this community.

### ***See a Weed, Pull a Weed***

It is nice to be outdoors this time of year. While enjoying City trails and parks, feel free to pull some weeds as you walk by. You'll add variety to your fitness routine, increase the beauty of your surroundings, give a welcome hand to busy park workers, and help keep government costs down all at the same time – not a bad return for pulling a few weeds. Thank you, Don Kusler, for weeding the First Street trail this week! Remember to always put safety first.

### ***Claytown Park Improvements Update***

The Claytown Park improvement project is well underway. The removal of the old play structure and landscaping was completed during the Spring Clean-up volunteer event on March 23. Staff is putting together the finishing touches installing the playground, and the new fence is scheduled to be installed this week. The project is looking great for a July 1, 2013 project completion and park opening date. Staff is planning on scheduling a dedication ceremony for the new playground later this summer.

The \$34,000 project was made possible with a \$10,000 donation by the Snohomish Kiwanis Club. If you have any questions about the project, please contact Mike Johnson, Public Works Services Manager at 360-568-7070.
