Limited Public Counter Services During City Software Update

An update of the City's financial and municipal services software is scheduled for August 20 through September 7th. During portions of this transition period, permit and financial computer systems will be inaccessible. Please expect limited services and slow processing times throughout, although standard service levels will return as the various modules are brought back online during the first week of September. Business licensing and building permits will be the final phases. Unfortunately, it will be necessary to close the Planning and Development Services counter for all permit intake and issuance for two days near the end of the update process. More information on the specific dates for the permit counter closure will be provided in a subsequent news release. Staff will be available during all normal business hours to provide other assistance. Full services are anticipated to be available by September 14.

We sincerely apologize for any inconvenience.

Applicants Sought for Snohomish Planning Commission

The Planning Commission may recommend moratoria and/or interim land use controls and hold public hearings as deemed necessary by the City Council.

Members of the Planning Commission must live within the City's urban growth area boundary. All City board and commission members are volunteers serving without compensation.

The vacancy is created by Planning Commissioner Josh Scott's decision not to seek re-appointment. The selected appointee's term will begin immediately upon City Council confirmation of the Mayor's appointment. Commissioner Scott has served as a Commission Member since August 2009.

32nd Annual National Night Out Take Back Your Neighborhood

This past Tuesday night, the City of Snohomish participated in the 32nd Annual National Night Out nationwide campaign to stand united against crime in our neighborhoods. National Night Out, a yearlong community building campaign, is designed to: (1) heighten crime prevention awareness, (2) generate support for, and participation in, local anticrime programs, (3) strengthen neighborhood spirit and police-community partnerships, and (4) send a message to criminals letting them know that neighborhoods are organized and fighting back. Here are some of the photos from the event.

The citizens of the City of Snohomish continue to fill a critical role in the overall crime prevention campaign. Taking an active role in looking out for one another and being a better witness for law enforcement are all important elements in reducing crime and making for a safe neighborhood. This year the Snohomish Police Department launched our K9 Crime Prevention program in an effort to use an available resource already active in the community. There will be a follow up meeting for those interested in learning more about the program at the Snohomish Library. Look for more information about this meeting in next week's City Manager newsletter.

Join Dream Dinners in Snohomish County's Fight Against Hunger

On Saturday, September 12th, between 9 am and 1 pm, Dream Dinners non-profit arm, "Living the Dream" is coordinating over 1,100 volunteers working 1 hour rotations to pack 150,000 meals for those in need in Snohomish County and abroad. They need an *army* of volunteers to pull this off and they just launched the on-line scheduling tool. This event is a blast and provides a simple, fun environment to introduce youth to powerful acts of service for others in our communities.

Volunteers can choose what time works best for them on Saturday and sign up for a 1 hour slot or multiple slots. We are assembling dry packages of rice, vegetables, soy and vitamins. One package provides six nutritionally-complete servings and reverses the effects of malnutrition. 100,000 meals will be sent to Tanzania and 50,000 meals will stay here in Snohomish to help families in need.

To participate in the event, you must register for an assembly time slot. Feel free to send the link to all of your friends! They are also looking 30 Volunteer Leads which would be for a 3 hour shift.

For Families, Individuals or Organizations, volunteering is easy. To register for a time slot: <https://livingthedreamFPE.eventbrite.com>

They also need donations for the event. Donations can be made by going directly online at: <http://livingthedreamfoundation.com/our-events/snohomish-countys-fight-against-hunger/>

By bringing hundreds of families to volunteer we are able to teach the importance of helping others. This will be a fun, fast paced and purposeful act of love and service your children will remember. If you are unable to attend but would like to support the Fight Against Hunger, tax deductible donations can be submitted to Living The Dream directly at www.livingthedreamfoundation.com
