

Search for a permit

Click **Search Public Records**. You do not need an account or be logged in to search records.

Enter your search parameters in the search bar and click **Search**. Search by address, type of work, or with a keyword.

Searching for the word “residential” brings up all residential permit types.

Refine your search with the **Filter Results** column on the left side or the **Filter Options** link at the top. Click a permit number to see all the available information about that permit.

Click  to see the project site on a map.
